DISCLOSURES

* *Performance achieved is net of all investment fees and reflects the reinvestment of dividends*

1 *The Community Foundation retained Mason Investment Advisory Srvs. (Mason) in June, 2005 to act as its investment manager. Mason invests Community Foundation funds in accordance with the Investment Policy Statement established by the Community Foundation Board of Trustees. All invested funds are held and verified by a third party custodian, Pershing LLC.*

2 *Growth Reference Point produced by Morningstar as "Moderate Allocation", invests in both stocks and bonds and maintains a relatively higher position in stocks. These funds typically have 50%-70% of assets in equities and the remainder in fixed income and cash.*

3 *77/23 Domestic Stock Bond Mix derived from 77% of the Wilshire 5000 Total Market Index and 23% of the Barclays Capital Aggregate Index. Performance is presented net of the average annual ETF and Index Fund expense ratio (prorated monthly) of all ETFs and index funds included in the Morningstar database, which ranged from 0.68% - 0.78%.*

4 *77/23 Global Stock Bond Mix derived from 77% of the S&P Global BMI Index and 23% of the Barclays Global Aggregate Index. Performance is presented net of the average annual ETF and Index Fund expense ratio (prorated monthly) of all ETFs and index funds included in the Morningstar database, which ranged from 0.68% - 0.78%.*

* *Past performance is not an indication of future results*
