Can leverage other support within the community?	Yes	No
<b>Fund Options</b>		
Minimum distribution amount	None	\$50
Annually distribution requirements	None	5% of average net assets on a 5-year rolling basis

### A smart decision

Many people are surprised to learn that opening a fund with their local community foundation is very advantageous when compared to a large mutual fund company. In addition to the Community Foundation's competitive fees, there are several distinct advantages:

- **Local knowledge of community needs.**
- **You aren't required to make an annual distribution.**
- **The ability to leave a local lasting legacy.**

\*Subject to change.
