

Helping donors do good work...FOREVER.

Chair's Report

Ten years young.

As we celebrate our tenth anniversary, we pause to reflect and also look forward. I want to thank the thousands of donors who have made the Foundation's 130-plus funds possible.

These funds today are making a meaningful impact on the community. But what is even more satisfying is that they will be making a difference 10, 20, 50 or more years from now. That is quite a legacy to leave a community.

This idea of permanence, of helping donors do good work ... forever, which is one of the marquee benefits of working with the Foundation, is a powerful motive. It would be fairly easy to simply write a one-time check, but our donors want to do more.

Many have worked hard, raised families, and still volunteered for numerous nonprofit entities over the years. It has been a lifetime of caring for them—whether for their family or their community—and it is reflected in the funds they have established.

Because of this commitment, this year alone, the Foundation has made over \$6.3 million in grants and distributions given back to the community. Over the past 10 years, it has been \$21 million.

In closing, I want to again thank all our fundholders, donors and the community for your support. Together, we can continue to do good work ... forever.

Deb Phillips, Chair
Community Foundation of North Central Massachusetts

Distributions

Over the past 10-years, donors have established over 130 funds. This year, these funds distributed over \$6.3 million to a variety of issues and needs the donors care passionately about.

Donor Advised Funds. You can have ongoing involvement in the use of your gift. You work with our professional program staff, identifying ways to use dollars from the Donor Advised Fund you establish to address the issues and needs you care about most. Your recommendations are submitted to our local board for approval; we then distribute grant dollars.

Field of Interest Funds. You can target your gift to address needs in an important area of community life. Arts. AIDS. Aging. At-risk youth. You identify your personal interest area when making your gift; our board awards grants to community organizations and programs that are making a difference in the area you select.

Scholarships. You can invest your gift in our community's future and show students you care, all with the guidance and personal services of your community foundation. You determine the criteria students must meet to receive the Scholarship you establish. With your assistance, students achieve their academic and career-oriented goals—from preschool to postgraduate work.

Designated Funds. You can direct your gift to a specific nonprofit organization or purpose. Help provide ongoing funding for a senior center, museum, or virtually any nonprofit charitable organization. Nonprofit organizations can use a Designated Fund through the community foundation to build their endowment and enhance their ability to accept large and complex gifts.
